** LCEDC Location: IMPORTANTLY, **Google/Apple Maps will take you to the wrong entrance!** The directions will tell you to turn onto a dirt "driveway" off of 10th Street – ignore this; it is taking you to the employee/delivery entrance. Instead, keep driving towards Mill Street, then turn north (right) and drive until you reach the parking areas on the right. The building's entrance is on the side facing away from the road, towards FreMarq. There is no official large sign out front yet, but there is a small one on the door entrance.*
